

Fisher Towers 2 Day Trip

Canyon Glow
at Sunset

River Trip Information

The "Moab Daily" is a beautiful one day float trip on the Colorado River. The day trips begin upstream of [Moab Utah](#) and float through spectacular rock valleys next to [Arches National Park](#). This is a great trip for those that want to see some of the magnificent canyons carve out by The Colorado River. On this 14-mile run, guests will experience fun rapids (class I and II) that are enjoyed by people of all ages and skill levels.

This is typical "Old West" canyon country. Many movies were filmed here, including the classics "Wagonmaster" and John Wayne's "Rio Grande" and "Comancheros." You'll also recognize this area from "Indiana Jones and the Last Crusade", "City Slickers II" and "Thelma and Louise." This section has many prominent sandstone spires that rise far above the ground. The "Titan," at over 900 feet tall, is the tallest Fisher Tower and was dubbed "Utah's skyscraper rock" by *National Geographic*.

Sample Itinerary

Pre-Trip Orientation: 5:00 pm the day BEFORE departure: We will meet at the Sheri Griffith Expeditions Office, located at **2231 South Highway 191 in Moab**. Here you will learn what to expect and prepare for, receive your dry bags, confirm that you have read and signed our Assumption of Risk forms, and get a chance to ask any additional questions you may have.

9:00 am: Meet at the Sheri Griffith River Expeditions Office, located at **2231 South Highway 191** in Moab

9:15 am: Depart for the River

10:00 am: Arrive at the put in (water level dependent, could be Hittle

Bottom Boat Ramp or the Dewey Bridge Boat Ramp)

Mid-Day: Pull off on a beautiful beach for a delicious lunch. Guests are welcome to swim or play in the water as the guides prepare lunch

4:00 pm—We'll pull over for the evening and set up camp. You will be assisted in setting up your own tents and sleeping gear while the guides work on setting up the kitchen and "living room" and then start dinner. Once camp is set up, you are welcome to play games, go hiking, or relax.

Inflatable Kayaks are a great option!

Tips From the Pros:

Packing for a river trip can be daunting. Here are some items that our guides highly recommend:

- Disposable Moist Towelettes
- Small Day Pack or Fanny Pack
- Skirt or Sarong
- Travel Pillow
- Garbage Bag or Stuff Sack—for soiled clothing
- Journal or Notebook with Pen or Pencil
- Goggles—If you wear contacts
- Personal Alcohol (Please Limit Glass)

Other Handy Items:

- Ziplock and Trash Bags
 - Useful for separating personal items such as medications, shampoo, soap, wet items and dirty laundry
- Extra Snacks
 - We Provide snacks throughout the day, but it is a good idea to bring extra snacks for children, for individuals who have snack preferences or for those who have special dietary needs.
- Wet Wipes
 - Great for washing your face, wiping your hands and cleaning dirt and sand off of personal items.
- Rain Gear
 - Not just for rain! When riding through the rapids, rain gear can provide extra protection and warmth when being splashed by cold water.
- Carabiners
 - Very handy in the outdoors and at home. Easily clip personal items nearby.

Sample Itinerary (Continued)

Day 2

7:00 am- First Coffee Call. Everyone starts working on waking up and then packing up your personal items and breaking camp.

8:00 am- Breakfast is served. After breakfast we will finish breaking camp and load the boats.

10:00 am- Before we leave for the day, the guides will re-check the PFDs, and one guide will go over important safety details and instructions for when we traverse the whitewater.

Mid-Day- We'll stop for a delicious lunch and possibly a hike or two.

3:00-3:30 pm:** Arrive at Take-Out Beach. Guests are welcome to play in the water or enjoy the shade as the guides take the boats a little further downstream and load them onto the trailer. After the boats are loaded and secured, we will return to Moab.

4:00 pm:** Arrive at the Sheri Griffith Expeditions office in Moab.

****The take-out and return times are approximate.** Water Conditions, weather and other factors may lead to a later or earlier return time

What to Bring, What to Wear

Each guest will receive two water proof dry bays at the orientation. One bag is approximately 20" x 20" x 27". **Your sleeping bag will come already packed in this bag.** You may want to pack your items in an athletic bag for easier access. The second is a smaller dry bag which is approximately 10" Dia x 20" H and should be used for day-use items.

Oarboats,
Paddleboats
and Inflatable
Kayaks are all
fun on this river
stretch

Whitewater

This stretch of the Colorado River is very mild with several small rapids. It is very wide and slow for most of this trip which creates warm water for swimming or water fighting.

Boats

All of our equipment is top quality, state of the art and carefully maintained and serviced. Our Fisher Towers trips are run with Oarboats and Paddleboats or Inflatable Kayaks by request. **Oarboats:** These are inflatable rafts (approx. 17 - 18 feet in length) with guides that maneuver them with a set of oars secured to a frame in the middle of the raft. **Paddleboats:** These are inflatable rafts (approx. 15 - 16 feet in length) manned by guests and their paddles. The guide gives instruction and navigates from the back of the boat.

Weather

You can expect warm, sunny, delightful days in Southeastern Utah. In April through June, high temperatures range between 70° and 90°. July and August high temperatures typically range between 90° and 100°, with September and October temperatures ranging between 70° and 80°. The climate here is very dry with little humidity.

Getting to Moab

Moab, Utah, is located on Highway 191 about 30 miles south of Interstate 70. It is approximately a two hour drive from Grand Junction, Colorado and a four hour drive from Salt Lake City, Utah. Both cities have commercial airports with rental cars and vans as well as shuttle companies. Sky West Airlines offers direct flights from Denver, Colorado to Moab. If you are driving to Moab or renting a vehicle upon arrival in Moab, you may park at our office while you are on the river.

More Details

River Camping

The private camps in which you'll stay are mobile-tented river camps. After you depart, the entire camp is broken down and the campsite returns to untenanted wilderness again.

Camping Equipment

We provide top quality tents that sleep two or three persons comfortably. The tents used on the rafting programs are "4-Man" tents that we assign as double occupancy. We also provide comfortable sleeping bags and pads. Sleeping bags are professionally laundered prior to each trip.

Food and Drink

Riverside meals, prepared and served by your guides, are delicious and varied. Meals are served buffet style. You may bring your own beer, wine or hard liquor and we will be happy to store it and keep it chilled. Please avoid bringing glass. Bring beer in aluminium cans and transfer hard liquor and wine into plastic containers. **Please note:** Please remember we are in remote areas, usually in a mixed group, and far from medical assistance. We trust our guests will not endanger themselves, offend others, or evoke a guides' intervention by over drinking.

If you have **a special dietary requirement**, please advise Sheri Griffith Expeditions of your needs at least three weeks prior to departure. Every effort will be made to comply with your request.

Bathing and Toilets Facilities

In camp, there are shared bathroom facilities for men and women. Due to environmental impact issues, bathing facilities are limited to areas in, or directly adjacent to the river. If you choose to bring your own soap/shampoo, we suggest they be biodegradable products.

Our Sanitary system is a sealed container with a regular toilet seat attached. Hand washing stations will always be located near toilet and dining areas and all guests and guides are required to use them regularly.

Electrical Power

There is no electrical power in the camps along the rivers. It is suggested that you carry a supply of additional batteries for your camera and any battery-operated appliances you are taking along. Mechanical or electronic devices that are noisy and which may disturb other guests "wilderness experience" are discouraged. NO drones are allowed on our trips.

The Fisher Towers Section of the Colorado River offers beautiful views and fun play time!

SAFETY, ASSUMPTION OF RISK AND, INSURANCE:

We maintain an excellent safety record, since 1971. However, all outdoor experiences involve risk and we all must recognize that accidents or illnesses may occur. We cannot guarantee your safety. **We place final responsibility for your safety firmly on your shoulders where it belongs. You have to pay attention to what you are doing.** Mother Nature controls the water level, the weather and the elements, so there is a risk involved in rafting and camping. Before your trip departs, you will be asked to sign an Assumption of Risk and Release Form. If you have questions regarding this document or would like to see one ahead of time, please feel free to request it. We assume no responsibility for injury to trip members, their personal belongings or, for time and expense incurred. **We strongly recommend Travel Insurance, which covers vacation losses and accidents and provides a refund if you have to cancel your trip.**

Time Zones

Utah operates on Mountain Standard Time (Note Arizona does not have Day Light Savings time)

Some Final Notes and Details Regarding Your Trip

HEALTH ISSUES

If you are of an adventurous spirit and in reasonably good health, you should have no problem enjoying any of our trips. It's not necessary to be an athlete to participate in a river expedition. However, It is several hours to the nearest medical center. If you take medication you should bring a good supply and inform your guide of all medication that you are taking. When you meet your guide, you should discretely explain any medical conditions you may have or be concerned about including allergies to bee stings, etc. Each guide carries a first aid kit and will need to know if specific medicines should be stored. It's also helpful to know about other health issues when planning activities for the day. Pregnant women and anyone with heart trouble should have their physician's approval before taking a river trip.

Cancellation Policy

We require a \$100 per person deposit to confirm your 2 Day rafting trip. Your remaining balance will be due 45 days prior to departure. Since you have reserved space for which we have a limited number of seats, **our non-refundable policy applies in every instance. There are no exceptions for any reason, so we highly recommend that you purchase Travel Insurance to protect your vacation investment. A link for Travel Insurance is:**

www.travelinsure.com/affiliate/selecthigh.htm?32219.

We make every effort to follow through on our plans. However, we reserve the right to make changes in the itinerary or possibly cancel a trip if necessary, including but not limited to weather conditions, water fluctuations, insufficient reservations, changes in international relations, or other factors beyond our control. If cancellation is necessary, your money will be refunded. Our financial liability shall be limited to the amount actually paid and shall not be extended to cover any other costs incurred by the trip member.

Photography

Generally, when travelling, you'll want to bring all the film, camera batteries and other equipment you will need We also suggest that you take into account the amount of data storage of each unit when determining the amount (if any) of additional memory cards to pack.

Bring a protective sports pouch to protect it from water. Participants will be able to store cameras in a shared "dry box." If you are bringing a variety of lenses, please have a waterproof container of your own. Keep in mind we cannot take responsibility for the safety of your personal property. An old river adage is "don't bring it on a river unless you can afford to lose it."

Waterproof/disposable cameras are a great idea.

GRATUITIES

Guests often ask whether gratuities are appropriate, and in what amount. If you feel your guides have provided an excellent outdoor experience, a gratuity may be left with the trip leader and will be shared among the crew. The customary gratuity is between 15% and 20% of the trip cost. Gratuities can be paid in cash, by check or by credit card.
