

VISITOR'S ACKNOWLEDGEMENT OF RISKS

In consideration of the services of Griffith Expeditions LLC, DBA Sheri Griffith Expeditions, their officers, agents, employees, and stockholders, and all other persons or entities associated with those businesses (hereinafter collectively referred to as ("SGE")) I agree as follows:

Although SGE has taken reasonable steps to provide me with appropriate equipment and skilled guides so I can enjoy an activity for which I may not be skilled, SGE has informed me this activity is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. These inherent risks are some of the same elements that contribute to the unique character of this activity and can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. SGE does not want to frighten me or reduce my enthusiasm for this activity, but believes it is important for me to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all, of those risks.

The risks include, among other things: slips and falls; accidental drowning; whitewater rapids will be encountered; collision with fixed or moveable objects or other watercraft; being jolted, jarred, bounce, and shaken during rides; contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft; "washed" overboard resulting in having to swim rapids risking collision with rocks and entanglement in trees; damage to equipment or personal injury; exposure to temperature and weather extremes which could cause cold water shock, hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; exposure to sun, strong wind, cold, storms, large waves, eddies, whirlpools, and lightning; exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; equipment failure; improper lifting or carrying; travel in remote areas with poor or no access to emergency and/or medical services; my own physical condition, and the physical exertion associated with this activity; transmissible pathogen or disease, exposure to infectious diseases. Traveling to and from activity locations raises the possibility of any manner of transportation accidents.

I am aware that hiking, rafting and river trip activities entail risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury or death. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and with full knowledge of the inherent risks.

I acknowledge that engaging in this activity may require a degree of skill and knowledge different than other activities and that I have responsibilities as a participant. I acknowledge that the staff of SGE has been available to more fully explain to me the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.

I certify that I am fully capable of participating in this activity. Therefore, I assume and accept full responsibility for myself, including all minor children in my care, custody, and control, for bodily injury, death or loss of personal property and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and as a result of my negligence in participating in this activity.

In the event that I file a lawsuit against SGE, I agree to do so solely in the state of Utah, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.

(Continued on next page)

I have carefully read, clearly understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.
